Positive Profit Alert

(Hong Kong, 21 January 2013) Century Sunshine Group Holdings Limited (Stock code: 509.HK, the ''Company'', together with its subsidiaries, the ''Group'') announced today that based on a review of the Group's unaudited management accounts for the year ended 31 December 2012 (the "Period"), the earnings of the Group for the Period has significantly increased as compared to the last corresponding period.

The increase is attributable to:

(1) the full year operation of magnesium business in 2012 which was only accounted for six months operation in 2011 as its commencement was in July 2011; and,

(2) the commencement of production and sales of compound silicon magnesium fertilisers in March 2012.

Chairman and CEO, Mr Chi Wen Fu commented on the overall growth for the year ended 31 December 2012, "The Group achieved promising results and attained substantial growth in its respective businesses for the past year. The magnesium business and the new product – compound silicon magnesium fertilisers have successfully captured market potentials and we believe that they will continuously drive the Group's earnings in the future."
